- Q. 2. If ρ is a $n \times n$ matrix, then ρ is called a normal matrix if $\rho \rho^T = \rho^T \rho$.
 (a) Show that ρ is a normal matrix if and only if ρ is a symmetric matrix.
 (b) Show that ρ is a normal matrix if and only if ρ is a Hermitian matrix.
 (c) Show that ρ is a normal matrix if and only if ρ is a unitary matrix.
 (d) Show that ρ is a normal matrix if and only if ρ is a real matrix.
 (e) Show that ρ is a normal matrix if and only if ρ is a complex matrix.
 (f) Show that ρ is a normal matrix if and only if ρ is a real symmetric matrix.
 (g) Show that ρ is a normal matrix if and only if ρ is a real Hermitian matrix.
 (h) Show that ρ is a normal matrix if and only if ρ is a real unitary matrix.
 (i) Show that ρ is a normal matrix if and only if ρ is a real symmetric matrix.
 (j) Show that ρ is a normal matrix if and only if ρ is a real Hermitian matrix.
 (k) Show that ρ is a normal matrix if and only if ρ is a real unitary matrix.
 (l) Show that ρ is a normal matrix if and only if ρ is a real symmetric matrix.
 (m) Show that ρ is a normal matrix if and only if ρ is a real Hermitian matrix.
 (n) Show that ρ is a normal matrix if and only if ρ is a real unitary matrix.
 (o) Show that ρ is a normal matrix if and only if ρ is a real symmetric matrix.
 (p) Show that ρ is a normal matrix if and only if ρ is a real Hermitian matrix.
 (q) Show that ρ is a normal matrix if and only if ρ is a real unitary matrix.
 (r) Show that ρ is a normal matrix if and only if ρ is a real symmetric matrix.
 (s) Show that ρ is a normal matrix if and only if ρ is a real Hermitian matrix.
 (t) Show that ρ is a normal matrix if and only if ρ is a real unitary matrix.
 (u) Show that ρ is a normal matrix if and only if ρ is a real symmetric matrix.
 (v) Show that ρ is a normal matrix if and only if ρ is a real Hermitian matrix.
 (w) Show that ρ is a normal matrix if and only if ρ is a real unitary matrix.
 (x) Show that ρ is a normal matrix if and only if ρ is a real symmetric matrix.
 (y) Show that ρ is a normal matrix if and only if ρ is a real Hermitian matrix.
 (z) Show that ρ is a normal matrix if and only if ρ is a real unitary matrix.

Isme payment gateway laga diya like jise course karidna hai vo payments online karega and admission pdf generate ho jaayega....

And like after completion of course he can give certificates

Make sure all security asect just like our mk3

Zaid ki chats dekh kuch kuchh naye naye ideas bataya hai usne

Kuchh logo ki fake certificate ke saath photo daalni hogi

Apna domain attach kar diya

Admin password kpprotected banana jaise apnenone apne portfolio me banaya tha

SEO is tarah se banana taaki Google pe first search me hi photo wagera and saari details ek box me aa jaaye

Website ka naya naam daalna

Apne SEO me mehendi website keyword bhi daalna

Fake course completiom pdf generated invoices

Photos saare upload karna online

Home page me models ke photos bhi rakhna hai

Ek review section banana jisse home page pe bhi upload karna jaha par aur girls ke videos youtube pe upload karke use website pe render karwana
